DETAILED ACTION

Claims 1-5 and 22-25. The rejections of record are withdrawn in view of Applicant's remarks and amendments.

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claim 4 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
3. Claim 4 recites the limitation "said cooperating set of transfer connecting structure recesses" in the last line. There is insufficient antecedent basis for this limitation in the claim.

Allowable Subject Matter

4. Claim 4 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
5. Claims 1-3, 5 and 22-25 are allowed.
